Quick Start Guide: Creating a Post on the Tech Writer's Tribe App

Overview

The Tech Writer's Tribe (TWT) app is a community platform for technical writers to share insights, ask questions, and collaborate. This guide explains how to create a post within the app—whether you're asking for help, sharing resources, or starting a discussion.

✓ Prerequisites

Before you begin, ensure you have:

- A mobile device with internet connectivity.
- The Tech Writer's Tribe App installed. Download here
- A registered TWT account with a valid email or mobile number.
- Basic familiarity with navigation in mobile applications (tapping, typing, uploading images).

■ Steps to Create a Post

Step 1: Open the App

Launch the **Tech Writer's Tribe** app from your mobile device.

Ensure you're on the **Home** or **Community** tab.

Step 2: Locate the Post Button

Tap the "+" (plus icon) At the top under Community Feed / Tribe Wall or "Create aPost" button - Found at the bottom-left corner of the screen

Step 3: Select Post Type (Optional)

Choose your post category:

- Add Quiz
- Add a Poll
- Add question
- Add photos
- Add video
- Add Document

Step 4: Write Your Content

README.md 2025-06-09

- Add a **title** (e.g., "Help needed with Oxygen XML").
- Enter your main content in the text editor.
 - Use clear language and bullet points.
 - Add context and avoid jargon where possible.

Step 5: Publish Your Post

Tap the **Post** or **Publish** button to share your content.

Your post will be live immediately to the chosen audience.

After Posting

- Members can like, comment, and respond to your post.
- You may **edit** or **delete** it anytime using the options menu (:) beside the post.

☆ Tips for Better Posts

☑ Do	○ Don't
Use descriptive titles (e.g., "Need help structuring a DITA topic")	Avoid vague titles like "Help!"
Write clear, concise content	Don't write long, unbroken paragraphs
Use formatting: bullets, headers, emojis if relevant	Avoid informal language or spam
Mention tools or context to clarify your post	Don't share unrelated promotions

® Need Help?

- Use the in-app **Help** or **Contact Us** options.
